Dr Sunil Reddy is an internationally and locally trained Orthopaedic Surgeon practicing in Adelaide. He specialises in **shoulder and knee surgery** which form the cornerstone of his practice. Sunil has been a practicing Orthopaedic surgeon for 12 years with expertise in **total joint replacements of knee, hip & shoulder** and **arthroscopic surgery of the shoulder & knee**. He also performs open and arthroscopic **wrist surgery** and is an experienced **orthopaedic trauma** surgeon.

Sunil completed his orthopaedic training from the Institute of Medical Sciences, Banaras Hindu University, India – a 1100 bed University teaching hospital and a major referral centre. He then practiced Knee, Hip and Trauma surgery at the Apollo Hospitals in Hyderabad (a 550 bed tertiary care Private hospital) before migrating to Australia in 2009. Here he undertook two advanced clinical fellowships in Adult joint reconstruction and Upper limb surgery - both in Adelaide; apart from visiting fellowships at centres of excellence in Germany and France .

He is a **Consultant Orthopaedic Surgeon at The Lyell McEwin and Modbury Public hospitals** and runs his Private Practice out of Rooms at East Adelaide Specialist Centre on 151 Hutt street, Adelaide.

Sunil **performs gap-free surgeries** for all patients and offers **bulk-billing consults to pensioners**. He accepts **Workers compensation injuries and Third party claims**. All new referrals are usually seen within 1-2 weeks. Fractures and acute knee and shoulder injuries are seen within 1-2 days in twice weekly **Rapid Access Clinics**, one at Calvary central Districts hospital and one at Rooms on Hutt street.
